Where Students Are More Than A Test Score!

Climax-Scotts School's Commitment to Communication

Staying connected with our families is a top priority. As we move into the new school year, we'd like to remind returning families—and introduce new ones—to the tools we use to keep you informed and engaged.

Updated Website

Our website www.cssschools.net continues to be a central hub for school and district news, calendars, updates on programs, and more. The Final Forms section remains active for families to enroll students or update information securely online.

Mobile App

The “Climax-Scotts Schools” app is the easiest way to get district alerts, view schedules, contact information, and access social media links.

☒ *Need the app?* [Download it here](#) or visit the link at the bottom of our website homepage.
