

Construction Update as of 10.14.24

Below is a recap of some of the major summer accomplishments, and an update of our current projects.

Completed Jr/Sr High School & Athletics Summer Projects

- New flooring throughout the hallways, bathrooms, and cafetorium
- New sound panels in the auxiliary and main gymnasiums
- Painted all hallways and the main gymnasium
- Updated bathrooms
- Installation of new windows
- New Greenhouse
- New science classrooms (Will be completed soon)
- Updated courtyard
- New sidewalk along Intermediate parking lot

By the end of the fall construction season, we expect to substantially complete:

- Sidewalks along both north and south driveways, and along the road
- Lighting along the sidewalks
- Updated baseball field
- New softball field
- Replace media center's skylights

Next Summer Jr/Sr High School and Athletic Projects:

- Air conditioning in the main gymnasium
- Update sound and lighting system for the cafetorium stage
- New sidewalk between the circle drive and the Intermediate School
- New hand railings for the home football bleachers
- New home football bleacher concrete step extensions
- Addition of wrestling rooms in the Intermediate School
- Updated hallways and bathrooms in the Intermediate School
- New football practice area

Elementary projects during this winter:

- Enclosure and construction of the new classrooms
- Enclosure and construction of the new multi-purpose room

Elementary projects scheduled for next summer

- New hallway flooring
- New classroom unit ventilators with A/C and bi-polar ionization
- New secure main entrance, office, and teacher workroom
- Updated Kitchen
- New windows
- Completion of new classrooms, with cabinetry and furniture
- New parking lot for the new classroom extension
- New Marquee

Completed district provided summer projects

- Cleaning of all classrooms
- Technology - maintenance of classroom computers
- Implementation of new transportation software
- Implementation of new website and mobile app
- Implementation of Eventlink – our new event scheduler
- Implementation of Final Forms – online registration system

District projects for next summer
