

Climax-Scotts Community Schools

Where Students Are More Than A Test Score!

Dear Kindergarten Families,

The State of Michigan requires that all Michigan kindergarteners have a dental screening. Kalamazoo County Health Department will be providing the screenings on October 20, 2025.

If your child has seen the dentist within the past 6 months, we can accept a letter from the dental office stating that they were seen. You will need to provide a copy of the letter to us.

For more information about the dental screening requirement, please visit <https://www.michigan.gov/mdhhs/adult-child-serv/childrenfamilies/familyhealth/oralhealth/koha> or contact our local health department at Kalamazoo County Health Service at 269-373-5200.

Sincerely,

Teri
