Subject: Update on State Budget & School Meals

Dear Panther Family,

With the state budget process still unsettled, we want to reassure you about one very important thing: Climax-Scotts will continue to provide free breakfast and lunch for all students for the next 30 days, through October 30, 2025.

We are continuing to monitor developments at the state level and will share updates as more information becomes available. In the meantime, please know that our commitment to supporting students remains strong, and we are here to ensure their needs are met every day.

Thank you for your trust and support.

With appreciation,
